

RESVERATROL

2010 1st international conference
of resveratrol and health

The first international scientific conference of Resveratrol and Health will take place in Copenhagen, Denmark from 13th to 16th of September 2010.

The purpose of the conference is to collect and summarize the last year's scientific work. The expected outcome is a selection of reports with the latest update in the area of resveratrol research globally and a recommendation for the direction for coming year's scientific research.

Scientific committee

D.K. Das
*University of Connecticut School of Medicine,
Farmington, USA*

T. Szekeres
*Clinical Institute of Medical and
Chemical Laboratory Diagnostics, Vienna, Austria*

A.J. Gescher
University of Leicester, U.K.

N. Ahmad
University of Wisconsin, Madison, USA

David A. Sinclair
Harvard Medical School, Boston, USA

Young-Joon Surh
Seoul National University, Seoul, South Korea

Ole Vang
University of Roskilde, Roskilde, Denmark

J. Förster
Fluxome A/S, Copenhagen, Denmark

Program

Day 1:
Trans-resveratrol sources,
production and the global Resveratrol market

Day 2:
Inflammation, Cardiovascular
and Cancer, Longevity

Day 3:
Obesity and Diabetes, Bioavailability
and Occurrence

Day 4:
Scientific committee, by invitation only.

We welcome any party interested to participate on the planning and execution of the conference to contact info@resveratrol2010.com.
